

GO HIGHER
West Yorkshire

Values:

What things are important to you?
What would you like to achieve from a career/in your life?
What is your measure of success?
Are there any jobs you'd never do because of the things you value e.g. work in a science laboratory that tests on animals?

Skills:

What elements of different subjects are you good at?
What elements of your personality do people always compliment you about?
In what environment/setting/scenario do you feel most comfortable with?

Values

Interests

Skills

Interests:

What experiences have you had that you have really enjoyed/found satisfying?
What activities do you enjoy most inside and outside of school?
What are your favourite things to do?
Which subjects/hobbies do you spend most time on?
